

STEVEN E. MARTIN

ARCHITECT/PROJECT MANAGER

QUALIFICATIONS:

Steven E. Martin has 15 years of professional experience in the field of Architecture, Project Design and Project Administration. Prior to becoming a part of the RLG Architects personnel, Mr. Martin served as an Architect with a variety of firms and corporations including Manor Healthcare, Inc., The Weihe Partnership Architects & Partners, and Integrity Church International, Inc. Mr. Martin's architectural skills cover a wide range of design and construction project types, i.e., nursing homes and assisted living centers, office buildings and large scale commercial projects. Mr. Martin has also served on a joint CADD project (Computer Aided Drafting and Design) with the International Monetary Fund (IMF).

EDUCATION:

Hampton University
B.A., Architecture 1987

PROJECT EXPERIENCE:

Integrity Church International, Landover, MD – Provided the design, construction documents, and project administration for the conversion of an existing building. The facility consisted of the conversion of a 32,000 square foot Bowling Alley into a church with a 1,700-seat sanctuary, 300-seat multi-purpose room, bookstore, kitchen, Pastor's suite, and various classrooms. Mr. Martin's direct involvement with this project ranged from assisting in obtaining the construction loan, to interviewing prospective contractors, writing the project specifications and on-site supervision of the construction.

GRA Cherry Hill @ South Baltimore Family Health Center, Baltimore, MD

GRA Garwin @ Garwyn Medical Center, Baltimore, MD – Project Manager responsible for the design of two medical facilities specializing in MRI, X-Ray, Mammogram and Sonogram procedures.

The Village At Fair Oaks, Fairfax, VA – Staff architect responsible for the design of a 180-Bed Personal Care and Skilled Nursing Center.

Leader Nursing and Rehabilitation Center, Peters Township, Washington Co., PA - Staff Architect responsible for the design of a 120-Bed Rehabilitation Center and Nursing Center.
